

# SMCS Newsletter

*A Newsletter for the Families of St Michael's Choir School*

## *Our Mission:*

*St. Michael's  
Choir School is a  
Catholic  
Community  
whose primary  
mission is the  
education of  
young Christian  
gentlemen. At  
the centre of the  
community's  
academic effort  
to make the  
universe  
intelligible to  
growing minds is  
an experience of  
music for the  
praise of God in  
Jesus Christ*

## **Principal's Greeting**

It was wonderful to hear the sound of the entire student body singing together at the end of the Founder's Day Concert. For those families new to our school, it powerfully conveyed a sense of community achieved through music. With students from Grade 3 to Grade 12, the school's mission, to educate boys to become men through the service of sacred music, was evident for all to see and hear.

This year, for our School Learning Plan, we will continue to focus on student well-being with an emphasis 'connectedness'. Through the Chaplaincy and Leadership program, students are currently engaged in developing a house system to promote spirit, cross-grade experiences and student leadership opportunities. The Grade 9 retreat highlighted the theme of 'brotherhood' to help support these goals.

At the end of October, the boys in Grade 8 gathered in the Cathedral to sing at the memorial mass for the father of one of their classmates. It is experiences such as these, grounded in faith, music and service, which help forge ties among the students which will last a lifetime, as seen with those alumni who continue to gather to support one another in times of both sadness and joy.

Coming up in November, we have progress reports, parent-interviews, as well as all of the various extra-curricular activities as we gear up for Massey Hall with rehearsals and tickets sales. Keeping with the theme of connectedness, we look forward to seeing you at the school community Pot Luck Dinner on November 4<sup>th</sup> and at the Social Network Safety Workshop on November 7<sup>th</sup>.

## **Message from CPIC:**

The Catholic Parent Involvement Committee, CPIC, has donated two copies of Barbara Coloroso's book, "The Bully, the Bullied and the Bystander: How Parents and Teachers Can Help Break the Cycle of Violence." If you are interested in signing out a copy from our Parent Lending Library, please have your son see our librarian, Ms McMillan.

## Choral News

### Executive Director's Message

Have you had the time to marvel at the colours in the trees or go apple-picking or carve a pumpkin? Taking time to revel in the glory of God's creation especially at this time of year can be the perfect tonic to a hectic week of work, family and obligations. My travels to other parts of this world remind me to give thanks for the bounty we have been given. We are truly blessed.

I give thanks to all the boys for their glorious singing at the Founder's Day concert in the Cathedral. How exciting for them to sing in front of such a large crowd of patrons. I give thanks to the faculty and staff for their tireless efforts in preparing the boys, supervising, organizing, and everything else they do. The launch of the St. Michael's Choir School Foundation was similarly a smashing success.

Very soon, the younger boys in grades 3 to 6 will take to the auditorium stage to perform at their class recitals. I give thanks for the dedicated piano, organ and strings teachers who work in tiny studios but produce huge results year after year. Their commitment to the finest in music education is undeniable and a real treasure. One cannot emphasize the significant connection between a complete music education and academic success. Instrumental practice and performance is an integral part of a boy's work at the Choir School.

By the time you are reading this newsletter, the Massey Hall campaign will be in full swing. It's time once again to OWN THE HALL. Have you purchased your tickets yet? I give thanks for the members of the Massey Hall Committee for the hours and hours of time spent in producing this year's concert. Of course, the conducting staff and the boys are also in full rehearsal mode and are sure to deliver an outstanding concert performance. Do check out [www.christmasconcert.ca](http://www.christmasconcert.ca) for ticket purchasing information. Parents, your assistance with the OWN THE HALL sponsorship campaign is a critical piece of the puzzle for financial success. The Choir School community is sure to celebrate another beautiful evening/afternoon of glorious choral music from our boys and their conductors.

I give thanks for the parent community at St. Michael's Choir School. Your constant support of the boys and their work, your hours of volunteer efforts, your emails and phone calls, and your presence at the Cathedral on weekends serve as a reminder that we are blessed with people who care. All of us hope that the boys in grades 3 to 12 will grow into real 'men for others', leaders of tomorrow, men who praise God with their gift of music. Thank you for allowing us to be partners in this journey.

Finally, you are all invited to attend the Remembrance Day Ceremony in St. Michael's Cathedral. This service, open to all, is produced largely by the graduating class of grade 12 students. They prepare a moving tribute to all veterans. The ceremony begins at 10:30am. All are welcome.

## Elementary Choir News

### THE VIEW OF A NEW CHORIST

My name is Michael Mochocki. I am a new Grade 4 student here at St. Michael's Choir School and I just had my first concert! All day long, I was very excited but very nervous. Finally it was curtain time. We stood on the altar and sang! I was really scared but then I saw my Mom giving me a big smile and that made me feel better. Our voices echoed through the cathedral. The songs were beautiful and we all did a fine job. After the performance we bowed to the crowd and headed back to the school. I will have many other concerts here at St. Michael's Choir School but I will never forget my first concert!

## Junior Choir News

The Junior Choir was invited to sing at the first Friday Mass of the year at the Catholic Education Centre (CEC) on October 7th. It was a beautiful mass and many TCDSB staff were in attendance including the TCDSB's new Director of Education, Mr. Bruce Rodrigues. Mr. Rodrigues had many encouraging words for the boys after the mass, and the CEC certainly looks forward to hosting the boys again next year!

## FOUR SEASONS CENTRE FOR THE PERFORMING ARTS

The vocal students of Mrs. Arab, vocal coach, were taken on a delightful excursion to the Four Seasons Centre for the Performing Arts. The young men witnessed the talented Robert Pomakov, alumni of St. Michael's Choir School, class of 1999.

The students had much to say after the concert. "The experience will undoubtedly shine a different light on each vocal session," one boy said after the soloist's performance. The eager crowd of boys spoke to the renowned opera singer after his wonderful recital and left with a picture as a memory of their exciting afternoon.

## CHAPLAINCY AND STUDENT LEADERSHIP

### GRADE 9 RETREAT

The grade 9 retreat took place at Camp Muskoka Woods from October 17th to 19th. By all accounts, the trip was enjoyable for all of the grade 9 students, senior leaders and staff who participated. Highlights included the flying through the air on the giant swing, marshmallows around the campfire, capture the flag and so much more! The retreat also provided the boys with a valuable opportunity to reflect on their transition into the high school and the contribution that they would like to make over the community as older students in the building. A special thank you goes out to the senior leaders for all of their hard work and dedication to their role as mentors and to Mr. White and Mr. Berringer for their support of this important annual event.

**Nicholas W. Kovacs** - Chaplaincy and Student Leadership

Muskoka Woods 2011! What a fantastic experience! It was a great opportunity to bond with our peers, or rather, our brothers. There were many enjoyable activities, from the giant swing, to being part of a radio broadcast; from high ropes, to zip lining. The emphasis placed on brotherhood was something that will surely stay with us until we graduate and continue into the future.

A heartfelt thanks to Mr. Kovacs, Mr. White and Mr. Berringer for organizing the trip. In addition, thank you to Adam Tillie, Patrick Parro, Evan Hudson and Zachary Crichton for being our "Big Brothers" on the trip.

Joshua Rosseti - Grade 9

### WEEKLY MORNING MASS IN THE CHAPEL

Dear Member of the Choir School Community:

I just thought I'd take it upon myself to let everybody know about an opportunity that many may not be aware of.

As I hope most of you know, there is daily mass in the little chapel on the second floor of 66 Bond St every weekday morning from 8am-8:15am.

What many people may not know is that most mornings, Fr. Arbour -the celebrant- speaks to an empty chapel.

On the mornings I manage to take my kids to the mass, I always come away from the experience a little happier, a little more peaceful and a little more committed to maintaining my spiritual focus throughout the day. I always wonder how many other parents, staff and students might benefit in the same way.

It's a beautiful, intimate chapel with sunlight streaming through it, and I always feel that the fact that there are only a few people in the space makes it a little easier to feel a connection with God than in a larger, more crowded space -in the same way that it's easier to get a sense of yourself and others at an intimate dinner for four than at a large banquet. It's a beautiful way to start any morning, and a great witness to our faith to our kids.

I think it would be of great benefit to us individually and as a spiritual community if we could attempt to make it out to the Chapel Mass even once a month. I find it a gentle but powerful experience every time I go, and I'm confident you will too.

...and I'm pretty sure Fr. Arbour would enjoy the company...

God Bless,

A Choir School Parent  
Jim Codrington

## CSAC NEWS

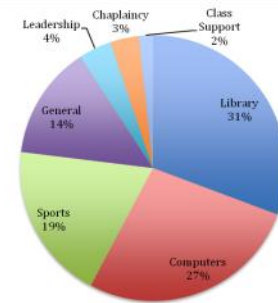

### CSAC Article – October Newsletter

One of CSACs mandates is to hold fundraising activities that directly benefit the school population. The activities that CSAC has held in the past have been the fall fundraising events with Chocolates, Magazines and Entertainment Book drives. In addition, there is also the Uniform Exchange, Bake Sale and the Lunch Program, Movie Nights and accessing additional funding programs that are available.

In addition to the funds raised, some of these events, such as the Uniform Exchange not only drive additional value to the families of the school but also help to build community and foster stronger ties between the parents. If we are all working hard in service for the school and ultimately our boys, we may as well have fun and make some friends along the way. Don't underestimate the social bonds that can be developed with the shared experience of being elbow deep sorting and folding gym shorts.

### **Where does the money go?**

A chart has been produced indicating where the funds were spent in the 2010-11 school year.

**Library** - funds have been allocated annually to provide funding to purchase educational program materials and keep the collection current and relevant to our students.

**Sports** – funding is meant to augment the Student Activity Fee allocation to sports. In 2010-11, monies were directed to support swimming, volleyball uniforms and softball. This funding was in addition to direct fees from the students that participate and helps to make the programs more accessible.

**General** – is a catch-all bucket that provides the hospitality for parent-hosted receptions throughout the year such as Curriculum Night, Bambino, the Graduation Garden Reception. It also is used to provide incremental gifts / funding to graduation activities. In 2011-12, this will also fund the upcoming Multicultural night and Safe Internet Seminar for students and parents.

**Leadership and Chaplaincy** – support for special programs and activities to provide additional character and spiritual enrichment for the boys. This is at the heart of our mission of the school of developing leaders through service.

**Class Support** – are funds that are provided to each academic school teacher to “fill the gaps” in providing materials to run programs within the classroom.

### **One-Time Expenditures:**

**Computers** – last year two Apple Mac Music Composition systems (Hardware and Software) were provided to augment the music program. Also a few years ago, a number of computers were also purchased and are still in use today.

Additional one-time expenditures that previous CSAC has funded are intended for facilities and equipment that help to improve the quality of the extra-curricular activities for our boys to help “round-out” the experience here at St. Michael's Choir School. In previous years, these have included: weight room equipment, a scoreboard for the gym, spot lights for the auditorium, music instruments, and microwaves for the lunchroom.

Finally a big Thank you for all of your support of our recent Entertainment Book drive and the other events that fill out CSACs calendar throughout the year. As you can see, your efforts go a long way and together we can do more and do better to support our boys and enrich their lives here at St. Michael's Choir School.

### **CSAC 2011-12**

**David Gatchalian, Jennifer Walker, Geoffrey Rawlinson, Mande Puskas**

\*\*\* **Reminder** \*\*\* The next CSAC Meeting is when and where we discuss funding allocation is Wednesday November 30<sup>th</sup>, 2011. Hope to see you there.

## STUDENT VOICE

**PATRICK PARRO**  
PRESIDENT STUDENT COUNCIL 2011-2012

It's just about mid-term season here at the Choir School, and despite the added rehearsals, tests, and homework put on our plates, the Student Council continues to work hard to plan some of our current and upcoming events and initiatives.

This past month, we hosted a Halloween Assembly featuring a Costume Contest to bring the Halloween spirit into the school for students from Grade 7-12. The prize for the student with the best costume: one huge 5lb chocolate bar. Who needs to go trick-or-treating when you've got a 5lb Chocolate Bar?! Congratulations to

**Adam Tillie** in Grade 12 and his costume: Julius Ceasar! Also congratulations to the runner-up, **Pierce Ramnarain** in Grade 7 and his costume: the Green Lantern!

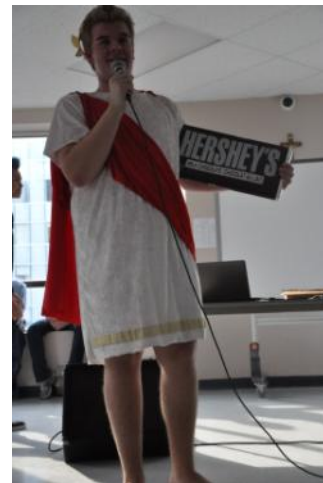

To update you on our Thanksgiving Can Drive from the previous issue of the newsletter, our grand total was **1,238 cans!** That is more than double our initial goal of 600 cans! Well done to everyone especially the Grade 9 class who took home the Pizza Lunch prize for bringing in 280 cans, more cans than all the other grades.

After a very successful Spartan dodgeball event at the end of September, we held another very successful Spartan basketball event on the 28<sup>th</sup> of October! These sports events are extremely popular and are a great way for students from different grades to connect and work together as a team. Look out for more sports events throughout the rest of the school year!

Finally, a fall student survey conducted by the Student Council to all students of the school will take place some time in mid-November in order to obtain feedback regarding various issues concerning the students and student-life here at the Choir School. A full report should be made available at the end of November/early December.

Left -Mr. N. Kovacs, Centre - Mr. B. White, Right - Mr. G. Lewis

Adam Tillie - Gr. 12

## SCHOOL CLUBS

### FRENCH CORNER

Je m'appelle Nicholas et je suis un nouvel élève en 7<sup>e</sup> année. Je viens de l'école George-Etienne-Cartier, une école francophone. La première différence était l'uniforme. A ma vieille école, je n'avais pas d'uniforme. Aussi, je dois maintenant, prendre le transport public cette année. Mais la chose la plus difficile est de trouver toutes mes salles de classe. Je trouve que ce bâtiment est un labyrinthe! C'est étrange de voir tous les nouveaux visages! Mais tous mes camarades de classe et mes enseignant(e)s sont gentils (gentilles). Les trois années passées, j'étais dans le Bach Children's Chorus et on avait une pratique par semaine, plus quelques performances. Mais maintenant, j'ai une pratique chaque jour, parfois deux! Et on chante à l'église chaque fin de semaine. C'est beaucoup de changements, mais je commence à m'en habituer!

**Nicholas Winstall**

The Ontario Ministry of Education has supported the creation and public sharing of the "FSL Homework Toolbox/Trousse pour les devoirs". Please click on the link below to access this website. The website was recently developed under the leadership of the Rainbow District School Board (Greater Sudbury) and it provides homework support to French Immersion program students and their parents. The site includes audio files and video clips in French and English, information on specific topics, a list of French language learning websites and general tips for learning French.

[www.fslhomeworktoolbox.ca](http://www.fslhomeworktoolbox.ca)

**Mme LoCurto**

### ECO CLUB - Waste-Free Lunch Challenge

The waste-free lunch challenge was a huge success. The amount of garbage that we throw out has decreased significantly. The waste free lunch challenge, from Metro, was organized by our eco-club. Our goal was to have absolutely no garbage in the bags. Although most classes had garbage and recycling in the bags on the first day, a few had none from day 1 thru to day 7. Congratulations! Even though we might win \$1000 to make the school more eco-friendly, the point of this was to raise environmental awareness. I hope you remember the environment and have an eco-friendly day.

Adam F. Gauran Grade 7

**WE DAY TRIP SEPTEMBER** : I don't think there's a better way to end September than to attend an event that celebrates all the hard work done by our school and others for environmental and social justice issues. An event where experienced speakers come to inspire students like you and me. An event where talented singers and bands come to perform. An event in a stadium filled with thousands of screaming teens. I think that the only event of that calibre is We Day, and our school's eco club was lucky enough to attend it.

But why us? We Day is so popular, and you're probably thinking of how difficult it is to get tickets. How could we have possibly obtained them? Well, we earned them. Our attendance of We Day shows that all of our hard work paid off. Everything, from the "litterless lunch" campaign to the "Lights off!" movement was worth it. Every rant on the PA system. Every poster that appeared to be useless made a difference. The fact that we deserved We Day tickets is proof that every action counts. Even actions as simple as bringing a reusable water bottle to school help our planet. It's as easy as that, so keep up the good work SMCS!

At the event itself, we heard amazing speeches from activists like Craig and Kielberger, Rick Hansen, Danny Glover, and Spencer West. There were amazing performances by City and Colour, the Kenyan Boys Choir, and Shawn Desman. In my opinion, the best moment of the show was when Nelly Furtado performed. She had just got back from a Me2We trip in Kenya, where her life was changed when she met a girl named Susan. To Nelly's surprise, Susan came onstage to thank her after she sang. Susan's speech was so genuine and emotional, it captured the hearts of the whole audience. We Day was an amazing event and we were so privileged to have attended it.

Manuel Piazza, Grade 9

## ATHLETICS

### Senior Volleyball -

The Senior Volleyball finds itself in second place in the TDCAA eastern division with a 7-2 league record going into the last week of the regular season. If the team is successful in the final week then they will end up second overall and will enter the playoffs on Tuesday October 8<sup>th</sup> with home court advantage for the first two rounds. Scores and results can be accessed at [www.tdcaa.org](http://www.tdcaa.org)

The senior team also placed second in the St. Thomas Aquinas Senior Boys Volleyball tournament, losing in a highly competitive championship game to Chaminade on Friday October 28<sup>th</sup>. The team went through the preliminary round winning 7 of 8 sets and then scored a 2-0 semi-final win before losing 2-1 in the Championship game.

**The Intermediate Volleyball :** Team composed of boys in grade 7 and 8 finished 4<sup>th</sup> in the Catholic Cup in Burlington on Saturday October 22<sup>nd</sup>. With 25 teams in the tournament, our fourth place put them at the top of the tournament. Congratulations to all the team members.

The divisional tournament for the Intermediate team takes place on Tuesday November 8<sup>th</sup>. If the team is successful they will move onto the Regional tournament on November 15<sup>th</sup>.

The student council sponsored an intramural basketball tournament on Friday October 28<sup>th</sup> after school. By all accounts everyone enjoyed themselves.

**High School Tennis:** Joseph Sebastian (gr.10) came second in the TCDSB Junior Boys 'Singles' Division Tennis Tournament Jules Coutinho and Joey Jang , both in grade 10, also placed second in the TCDSB Junior Boys 'Doubles' Tennis Tournament.

**High School Golf:** Our high school golf team participated in the TCDSB annual golf tournament on Tuesday October 4, 2011. Jules Coutinho was our low score player with an 86, good for 12<sup>th</sup> place.

### Ultimate Frisbee Club

This fall, SMCS high school students were introduced to a new sport : Ultimate Frisbee!

Ultimate is an exciting, non-contact team sport, played by thousands the world over. It mixes the best features of sports such as soccer, basketball, American football and netball into an elegantly simple yet fascinating and demanding game. To compete at the top level, ultimate players require an unmatched degree of speed, stamina and agility all while showing a healthy respect for the spirit of sportsmanship.

SMCS students had fun learning to throw and catch the disc along with other rules of this growing sport. Friendly scrimmages were the highlight of every practice.

The fall season has come to an end, but keep practising as tryouts for a competitive indoor team will be in January. The competition returns outdoors in the spring when ultimate tournaments abound.

**Ms. Dakin**

### Table Tennis Tournament

The SMCS Table Tennis Tournament is under way! Students in grades 3, 4, 5 and 6 are vying for the championship. One overall champion will be declared as well as one for each grade level. Come see the action on Mondays, Wednesdays and Fridays during lunchtime in the cafeteria!

**Ms. Dakin**

## PARISH NEWS

The work in the Cathedral progresses smoothly but a slower than we had first hoped. Each week as you worship at the cathedral there are changes. As you know, we are presently only able to use two outer doors which impacts our **procession** and causes bottle necks as we leave after our liturgy. We ask for your patience and your prayers as we go forward. We no longer have washroom facilities in the Cathedral but we will be opening the Parish Hall on weekends during Mass times and security will be stationed there for the protection of our parishioners. No washroom facilities will be available during the week. There are copies of our *Restoration News* at the entrance of the Cathedral which will give you more details. Please pick up a copy.

### Out of the Cold

This program, which enables us to help the poor and homeless, will be starting up again this Friday, November 5 and will continue to the end of March 2012.

### Confirmation

There is a parent meeting on Sunday, November 13 after the Noon Mass in the Parish Hall. (Registration packages were handed out to Grade 8 students and/or parents on September 24/25.) Parents and students are expected to attend. Please bring a **copy** of your child's baptismal certificate as well as the Registration form and a recent photo. A donation of \$50 to help cover the costs of books, gowns, retreat and buses would be greatly appreciated. As in the past, we will be offering a class on Saturday afternoons for the boys who sing in the Saturday choir. Classes begin the week after Easter Sunday, April 14/15 and continue to May 11/12, 2012. On that weekend, His Grace, Archbishop Thomas Collins will attend and answer questions which the students have prepared for him throughout their class times. This year we will be offering a session for parents on Sunday April 22<sup>nd</sup> on "*Raising your teens in faith*". This will happen at the same time as your son's are attending their Sunday session. More information about this and other Confirmation details will be given at the parent meeting.

### Registration Cards

Some parents have asked if they need to complete one of these cards as they are only here during the school year. Please do complete one as we want to get to know as many of you as we can. Please also remember to sign the back.

### Volunteering

I know that you are all very busy people but I ask you to consider volunteering during our Sunday Liturgy. Some of you are already volunteering and I thank you. We have need of Ministers of Communion (especially at the 5:00pm Saturday evening Mass), Ministers of the Word and Ministers of Welcome. If you are interested please call Theresa Culliton, our Lay Pastoral Associate who is in charge of volunteers and would be happy to give you more information.

## REMEMBRANCE DAY - NOVEMBER 11, 2011

Members of the St. Michael's Choir School community are invited to attend our Remembrance Day Liturgy. It takes place on Friday, November 11th, 2011 at 10:30 AM in St. Michael's Cathedral. Our grade 12 students have been working hard to put together a service that honours the achievements and sacrifices made by members of the armed forces who served, and continue to serve, Canada in times of war and peace.

## ACTIVITIES AND SPECIAL EVENTS

### GRADE 8 STUDENT TRIP TO MACKENZIE HOUSE

On October 26, the Gr. 8 class went across the street on an educational field trip to the Mackenzie House. This is a trip that we have been expecting since the beginning of our time here at SMCS. We learned about Mackenzie and his part in the Rebellions of 1837. We dramatized a fictional debate between the Tories and the Reformists, played a board game that was evily rigged and even wrote out a petition to the British government signed by students that weren't even on the field trip. In their two groups, they learned about the strange occurrences and haunting apparitions in the Mackenzie House and found out that our current mayor, Rob Ford, is trying to close down this museum that houses the history of the first mayor of Toronto or better known back then as "Muddy York". We thoroughly enjoyed our trip to this historic building. Perhaps we should petition the city to keep this museum in operation. Something to

think about!

**Martin Halek, Grade 8**

### Annual Thanksgiving Can Drive

As this year's Social Justice Rep and coordinator of this year's SMCS Can Drive, It is my duty to officially proclaim the fundraiser's end. So congratulations students and parents of SMCS, for showing incredible initiative and charity throughout our fantastic can drive to feed the needy Thanksgiving eve! We as a school collected 1231 cans of tuna, pasta sauce, and other food for St. Francis Table, a truly incredible effort by the entire school. I would like to personally congratulate the grades 4, 9 and 11 classes for bringing in 249, 280, and 266 cans respectively, and to the whole school

for shattering both our record (of about 400 cans) and our expectations. There will be another charitable event in time for Christmas, and until then, thank you and God Bless.

**Sam Codrington - Grade 11**  
**2011-12 Social Justice Rep**

### **NASA ASSEMBLY - THURSDAY, OCTOBER 27, 2011**

On Thursday, October 27, 2011 St. Michael's Choir School was honoured to have an astronaut from NASA – Drew Feustel who spoke to the students in Elementary and Secondary.

Drew is a family friend and I had heard many of his stories but his presentation still blew me away. He had pictures and video's that made you laugh and wish you were there too also, his pictures and videos made you wonder "How is this even possible?" Or "The person who did this is right here in front of us?"

But what was even more amazing? Is that it was all true. He had told me that he had no presentation that was set permanently. He showed a picture and said all of what he could remember on the subject. He was as normal as all of us, which had the biggest effect of all.

**Connor Flannery - Grade 8**

## Special Up-Coming Choir School Events

- Monday November 7: CSAC sponsored workshops on On-line Social Networking Safety (Facebook, MSN, cyberbullying) by Paul Davis . There will be age appropriate presentations for all students during the day and a parent and teacher workshop in the evening
- Friday, November 11: Remembrance Day Service - 10:30-11:15 A.M. in St. Michael's Cathedral
- Saturday, November 12: Confirmation Enrollment
- Thursday, November 17: Parent-Teacher Interviews - Elementary & Secondary
- Friday, November 18: P.A. Day - Elementary & Secondary
- December 10/11 Massey Hall Concerts!
